Creating Healthier Masculinities is a program within the **AMS Sexual Assault Support Centre (SASC)** which recognizes the role that some forms of masculinity play in perpetuating gender-based violence. By promoting education and advocacy, and by initiating conversations within male-identified culture, **Creating Healthier Masculinities** strives to establish an inclusive community empowered against sexism, gender-based and sexual violence, and other intersecting forms of oppression.

Creating Healthier Masculinities Program Values:

- Everyone has the right to be treated with respect and dignity.
- We each have the right to define our own identities and experiences.
- Everyone has the right to freedom of choice, including choice over their reproductive health, as well as choice in a broader sense, including what type(s) of support they receive, which services they access, etc.
- Everyone has the right to have their confidentiality respected, as a necessary condition to developing trusting relationships.
- Working together with community partners is essential to ending violence and creating a safer campus community.
- A collaborative, inclusive, and respectful working style is an important part of creating positive change.
- Everyone has valuable contributions to make in the struggle to end violence. It takes a community to create change.

1) Why did you choose to apply for this position? Why are you interested in volunteering for the Creating Healthier Masculinities Leadership Program?

2) In what ways do you think harmful notions of masculinity may contribute to rape culture, gender oppression, and/or sexual violence at UBC or in the greater community?

- 3) Is there a particular topic or area in the field of anti-oppression and anti-violence work that is of special interest to you, or that you would like to learn more about?

- 4) Please highlight any skills, attributes, or previous training that you have which support your desire to be a volunteer for the Creating Healthier Masculinities program.

- 5) Are you willing and able to commit to The SASC's volunteer training? Orientation and training takes place September 24th 10am-5.30pm. By committing to our training you will: attend every workshop; show up and be prepared to start at 10.00am and finish at 5.30pm on September 24th and engage with the facilitator, your peers, and the material provided.

- 6) Are you able to attend mandatory monthly meetings on the first Thursday of every month, from 6-8pm?

- 7) Are you willing and able to commit to being a SASC Outreach Volunteer? As an Outreach Volunteer with the SASC you are committing to: volunteering for no less than **6 hours per month** between September-April 2016-2017; maintaining regular communication with SASC staff; and attending regular volunteer meetings as long as you are an active volunteer.

- 8) Is there anything else that you would like to share with us?

Thank you for your interest in creating a safer, healthier, and more inclusive community!
